Today the House of Representatives did not vote on this bill. The legislative committee with legislators and offered our points of opposition. Many had indicated that they were by their local fop members. Thank you for making contact with your local state representatives.

SB 166 is currently in the Appropriations Committee and may be brought up for a final vote on Monday, December 11th when they return to session.

Please contact your representatives **again** and tell them we are adamantly opposed to it since many will be lobbied the next few days to support this legislation.

Thank you,

To all,

In the RMS I've added an Event Type named "COMMUNITY RELATIONS EVENT". You should use this Event Type for those community relations details such as Touch-a-Truck, parades, or any other community detail in which we assist and/or participate.

As with all Events, you do not need to call into County Communications to create it. You can just click New Event, add any additional personnel, edit the start and end times, add the location, and a quick narrative.

This will be an important step in tallying the details we attend so take the credit by creating the Event.

Many people have asked about disabling the Clutter folder in Outlook. This requires you logging in to web Outlook and making changes to the Clutter Folder feature. To do this, navigate to: <https://outlook.office365.com> and log in using your email address and domain password. On the left side of your mailbox, scroll down to the "Clutter" folder and right click on it and select "Clutter Settings".

From there, Uncheck the box (shown below) "Separate items identified as clutter". Sign out of web Outlook. You may need to close the desktop Outlook and re-start it for the new settings to take effect.

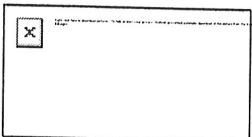

If you have additional questions, please email the ACPD-IT mailbox.

Subject: 2017 Stuff-A-Store Toy Drive Ends this Week

All Allegheny County Police Employees,

For the last 2 weeks we have been collecting toys for the **Stuff-A-Store Event** run by Retired Allegheny County Police Detective Jimmy Cvetic. **The collection drive ends this coming Thursday, December 14th. All districts and divisions MUST have their collected toys delivered to Allegheny County Police Headquarters by this coming Thursday.** District commanders with collection boxes please have them delivered in the Thursday mail run. We will be delivering the toys to the Stuff-A-Store in Monroeville Mall on Friday December 15th to be wrapped.

It is not too late to donate and every toy matters. The Stuff-A-Store event is collecting **new toy donations**, which will be given to children throughout our region who are in need of a little extra help this year. These toys are distributed along with new bicycles to numerous police departments throughout the region to be given to children in each of their communities. Last year we were able to provide new toys for Christmas to many children from the Wilmerding Headstart and Pre-K Counts classrooms as a result of this program. This year we will be providing gifts through this program to the children from the preschool again along with children who were victims of the devastating fire in Wilmerding borough and a few other children in need.

We appreciate your help making this Christmas even more special for children in need. We are still collecting new children's toys for children of all ages at each of our districts and duty stations to be donated for this event. There are collection boxes at Headquarters, District 2 South Park and District 3 North Park for you to drop off your new toy donations. Please bring your toys to your station and have them sent to Allegheny County Police Headquarters on the mail run.

Toys will be collected between Friday, December 1, 2017 and Thursday, December 14, 2017. All donations must be received at Headquarters by Thursday December 14th so that we can deliver them to the Stuff-A-Store in Monroeville for wrapping before they are given out on Sunday, Decmber 17, 2017.

If you are interested in helping Jimmy and the Stuff-A-Store staff in other ways such as wrapping or stuffing bags, they could use all the help you can give. Please contact them directly at: Western Pennsylvania Police Athletic League (WPAL) Jimmy Cvetic [REDACTED] Gloria Sztukowski [REDACTED]
